

VisaHQ is now your official partner for global visa and passport assistance

VisaHQ and Partners Travel. Better together.

We're delighted to have been selected to provide visa and passport services to Partners Travel clients!

Our team of expert specialists are ready to assist with all of your travel document needs including visas, passports, and document authentication services. VisaHQ's primary objective is to remove the complexity from applying for documents, saving time and allowing you to focus on what matters most — your business.

Who we are

VisaHQ prides itself in simplifying the visa application process for travelers and travel arrangers alike. Travelers requiring documents will have access to a suite of benefits, including a custom online application platform, priority processing, and a dedicated client service team. We're completely different than what you've been doing!

Where we operate

VisaHQ spans the globe with a presence across the Americas, Europe and the Middle East, and the Asia Pacific regions. We have offices in the United States, Canada, the United Kingdom, Germany, Ukraine, the United Arab Emirates, India, and Indonesia. In addition, electronic visa services are available in another 29 countries. Even in the most complicated visa scenarios, our team of expert specialists are able to provide guidance in navigating the bureaucratic obstacles in obtaining travel documents.

Key Benefits

Travelers will forever have their perception of visa and passport services changed when applying with us.

- **It's easy** — all applications are completed online without ever having to leave our site
- **It's fast** — the average application takes under 20 minutes to finish
- **It's accurate** — we check every application for accuracy, reducing costly delays
- **It's convenient** — traveler profile information is saved and reused for future applications
- **It's personal** — each application is personally processed by a visa expert

Need a visa or passport to travel internationally?

To obtain a visa or passport for an upcoming international trip, please visit the official Partners Travel VisaHQ application platform, located at <https://partnerstravel.businessvisahq.com>.

From there you will be able to research entry requirements and apply for visa and passport services to almost any country in the world all one one platform.
